

BABY WINS CUP BY BRONX SMILE

Brooklyn Infant Also 100
Per Cent but Her Tears
Cost Decision.

ELEVEN CHILDREN GET GOLD MEDALS

Churches to Celebrate To-day,
and There Will Be Public
Meeting at Casino.

You can't touch The Bronx to-day.
Young John Ryan, aged eight months,
of 435 East 166th Street, has been
wheeled away with the gold cup of
New York's Baby Week safe in his
carriage.

"One hundred per cent," the judge
chalked up for young Johnnie.

Mrs. Ryan, however, was no prouder
than the mother of Anna Hennessey,
of 370 Eighty-fifth Street, Brooklyn,
for little Anna was also voted a "100
per cent baby."

The three specialists chosen by the
Academy of Medicine to be the final
judges had much difficulty in deciding
which infant ought to win the cup.
Little Johnnie finally won because he
had "the voice with the smile." If the
little miss, his rival, hadn't been so
busy crying all the time the judges
were trying to deliberate she might
have received the trophy.

Eleven Gold Medal Babies.

Announcement also was made yesterday
of the eleven gold medal babies
selected from all parts of the city.
The following were named at Baby
Week headquarters in the Municipal
Building:

Borough of Manhattan.

Francis Murphy, 40 Monroe Street, seven
months. Score, 100. George Hennessy,
897 East Fifty-eighth Street,
Arthur Del Colle, 342 East 119th Street, twenty
months. Score, 97. Elizabeth Scully, Paul's Hotel, Sixtieth Street
and Columbus Avenue, twenty-two months. Score,
97.

Borough of Bronx.

Anna Murphy, 288 Eighty-fifth Street, nineteen
months. Score, 100. Joseph Grunberg, 179 Morris Avenue, twenty
months. Score, 98. Alice Gladstone, 164 Chester Street, sixteen
months. Score, 95. Elizabeth Scully, 1234 Myrtle Avenue, fourteen
months. Score, 97. Irene Weeks, unknown, nine months. Score, 98.

Borough of Brooklyn.

Virginia Segura, 64 St. Stephen's Place, New
York, twenty-three months. Score, 98.

Baby Week is now on in full swing.
In addition to the celebration in
churches to-day there will be a big
public meeting in the Casino Theatre.
Dr. Abraham Jacobi, among others, will
be on hand.

More than 4,000 posters announcing
Baby Week have been displayed all
over the city. The slogan is: "Better
Babies! Better Babies! Better City!"

Prayers Begin Week.

Baby Week began officially yesterday
with prayers in the synagogues for the
health and protection of New York's
infantile population. To-day similar
prayers will be offered in all Protestant
and Catholic churches. To-morrow will
be "Brothers and Sisters Day." At the
"Little Mothers" meetings throughout
the city the big milk companies will
distribute tags to consumers. The
remainder of the week will be given over
to various entertainments. Prize awards will
be made on Thursday.

Father's Day is Visiting Day, Wednesday;
Thursday is Prise Baby Day and Friday is Neighborhood Day.

CITY COLLEGE FUND \$100,000

Seven Weeks of Library Campaign Nets

Two-thirds of Total.

City College's Alumni Library Committee
met at a luncheon yesterday at the Park Avenue Hotel to consider the
plan to raise the \$150,000 fund for a
memorial library. On the committee were Dr. Edward L. Kohn, chairman,
graduating classes during the last fifty
years. They were guests of Lee Kohn,
chairman of the committee appointed
by Supreme Court Justice Samuel
Greenbaum, president of the City College
Alumni Association.

Dr. Sidney E. Mezes, president of
the college, spoke on the urgent need
of the library building.

Reports submitted by Howard C.
Greenbaum, 22nd, secretary of the
class committee, showed that the fund
had already passed \$100,000 and that
the committee had received \$80,000 in
pledges in addition to the \$36,000 in
cash. Professor William Fox, '84, re-
ported that \$11,000 had been raised in
his class alone and that one member
had agreed to double the amount
raised, making it \$22,000. The cam-
paign started seven weeks ago.

**THEOLOGICAL SEMINARY,
PLAN FOR MEXICO CITY**

Panama Congress Committee to
Found Universities.

Despite the chaos in Mexico a theo-
logical seminary in the City of Mexico
will be opened next autumn by the
committee of cooperation created by
the recent missionary congress at Pan-
ama. Successful local conferences
have been held in Havana, San Juan,
Santiago, Buenos Ayres and Rio
de Janeiro.

Universities will be founded at Rio
de Janeiro and Buenos Ayres as well
as in Mexico City. It was proposed at
first to establish one at Panama, but
the plan now contemplates a college
there. A central publishing and dis-
tributing office in the United States
will maintain numerous libraries in
the Latin states.

Presbyterians have undertaken to
raise \$100,000 for evangelistic work in
Latin America. The American board
of Boston, has been asked to take up
work in Peru.

BAKER APPOINTS ENGINEER

Henry Souther Consultant in Aeroplane
Division of Signal Corps.

Secretary Baker of the War Depart-
ment appointed Henry Souther, of
Hartford, Conn., consulting engineer
in the aeroplane division of the United
States Signal Corps, yesterday. In
commenting upon the appointment,
Howard E. Coffin, chairman of the
committee on industrial preparedness
of the United States Naval Consulting
Board and a member of its aviation
committee, said:

"The appointment of Mr. Souther is
a step in bringing the government de-
partments in closer touch with the
industry. He is a leading authority
on steel in the United States, a past
president of the Society of Automobile
Engineers and an ex-president of the
great standards committee."

Mr. Souther will soon begin the
construction of all motor plants competing
for army business.
